SHORT NOTICE QUESTION AND ANSWER

Recovery of Land Revenue Arrears in Idalhand Village.

Q.—5. V. S. PATIL (Belgaum).—

Will the Government be pleased to state:—

(*a*) whether Revenue and Police Officers went to Idalhand village on 2nd March 1960 for the recovery of land revenue from the defaulters in that village, and if so, what was their number;

(*b*) whether they are aware that no panchanama was drawn up nor any receipt was given to the owners of the properties attached;

(*c*) whether they are aware that properties have been forcibly taken away by the authorities from persons who do not own any land, and who are not Khatedars and if so, from how many persons;

(*d*) what were the articles attached on that date and from whom and what was the amount due from each of them and what was the value of the properties attached?

A.—Sri B. D. JATTI (Chief Minister).—

(*a*) Yes. Revenue staff consisting of the Deputy Commissioner, Assistant Commissioner, Belgaum Division, and 18 others together with a Police party went to this village for effecting recovery of land revenue. The total strength of the Police Party was 90 men including the District Superintendent of Police, Police Inspector and a Gas Squad of 6.

(*b*) It is not true. Panchanamas were drawn on the date of attachment. However, owing to the non-availability of Panchas, the inventories were certified by the Revenue Officers present on the spot. The question of passing the receipts to the individual Khatedars does not arise in view of the certified inventories by the responsible Revenue Officer.

(*c*) There was absolutely no such incident.

(*d*) *Vide* Statement given below.

‡The valuation of paddy attached is made at a fixed rate of Rs. 20 per bag. The surplus amount of recovery will be adjusted against the demand for the 1959–60 of the Khatedars concerned.

§An amount of Rs. 0.84 paid by the defaulter in cash in addition an amount of Rs. 0.84 for the current year has also been paid by the defaulter.

Sri V. S. PATIL.—In answer to (*a*) the word "Squared" is found. What is that word, Sir?

Sri B. D. JATTI.—It is squad. It is a printing mistake.

Sri V. S. PATIL.—My question (*b*) was "whether they are aware that no panchanama was drawn up..." and the answer is "It is not true. Panchanamas were drawn on the date of attachment. However owing to the non-availability of Panchas, the inventories were..." May I know even now from the Government whether any Panchanamas were drawn up or not? It is clear that no Panchanamas were drawn up.

Sri B. D. JATTI.—It has been made very clear in the answer that certified inventories were drawn.

Sri V. S. PATIL.—Do the Government accept the contention that no Panchanamas were drawn up on the spot?

Sri B. D. JATTI.—It has been explained clearly. It is for the Hon'ble Member to draw the conclusion.

Sri V. S. PATIL.—I want to know whether Panchanamas were drawnup or not. What is the fact?

Sri B. D. JATTI.—It has been replied that inventories were drawn.

Sri V. S. PATIL.—I am not asking about inventories. I am specifically asking as to whether Panchanamas were drawn.

Mr. SPEAKER.—Do you mean to say that inventory takes place without the Panchanama?

Sri V. S. PATIL.—My contention is whenever a property is attached, a Panchanama is invariably made on our side. In this case, no Panchanama was drawn. That is our allegation. The question is about Panchanama and the answer says that inventories were made. Both cannot be there. Either there should be a certified inventory or there should be a Panchanama. I am asking whether Panchanama was made. Panchanama means it should be signed by the Panchas.

Sri B. D. JATTI.—I know who has to sign a Panchanama and how to take the signatures of the Panchas. Inventories were certified by the revenue officers. It is correct and legal.

Mr. SPEAKER.—Is it before the Courts?

Sri V. S. PATIL.—It has nothing to do with the Courts. In this case, when the Panchanamas were not drawn, why were the receipts not given to the people?

Sri B. D. JATTI.—Copies of the inventories were given.

Sri V. S. PATIL.—I should like to know whether at least a copy of the inventory made was verified and given to the village.

Sri B. D. JATTI.—I have no doubt it was given. But I have not got the information. I feel they must have given. If it is not given, I will get it verified and tell you.

Sri V. S. PATIL.—I do not want the feeling of the Hon'ble Minister. I want the facts. No inventory was published in the village. No panchanama was drawn and no receipts were given. He has given 52 names from whom property has been attached. In fact the property attached was from 132 persons. Has this fact not come to the notice of the Government?

Mr. SPEAKER.—Please put a question.

Sri V. S. PATIL.—Is it brought to the notice of the Government that instead of 52 persons from whom the property has been attached, the real number of persons from whom the property has been attached is 132?

Sri B. D. JATTI.—But the figures have been given already. It is 52. For the information of the Hon'ble Member, I wish to inform that the Panchanama of the attached movable articles was drawn up, but as Panchas were not available, the Panchanama was certified by the Revenue Officers who were present on the spot. Attachments were made in the open and publicly, during day time between sunrise and sunset.

Sri V. S. PATIL.—Are the Government aware that the house of one Khannu Bhujanga was searched and 3 bags of paddy, a cycle, one axe and other articles were attached even though he is not a khatedar or holder of land?

Sri B. D. JATTI.—If the name of that gentleman is not found in this list, I have no information.

Sri V. S. PATIL.—Similarly there are 7 other persons who are not owners of land but whose properties have been attached. Their names are not shown here. So, is this list complete or partial ?

Sri B. D. JATTI.—In the records available with me, the names mentioned by the Hon ble Member cannot be found.

Sri V. S. PATIL.—The price of paddy is calculated by the Government at the rate of Rs. 20 per bag whereas it is Rs. 30 in the market.

Sri B. D. JATTI.—In Belgaum it is the second variety and not the first variety that is available and the market rate for that, is between Rs. 20 and 25 per bag.

Sri V. S. PATIL.—Serial No. 52 is one Smt. Droupadi Narayan Patil. Her assessment is only 84 N.P. Still one new brand cycle was attached from her house and so she had to pay this amount.

Sri B. D. JATTI.—Whether it is new brand or old brand, the property has been attached.

Sri G. N. PUTTANNA.—There are a number of Patils in this list. Are they village officers or is it their surname ?

Sri B. D. JATTI.—In North Karnatak there are a number of Patils. Those who do the work of Patil are officiating Patils and in the case of others it is their surname.

Sri G. N. PUTTANNA.—Are there any officiating Patils in this list ?

Sri B. D. JATTI.—I do not think so.

Sri V. S. PATIL.—124 bags of paddy were attached whereas the Government have given the total number of bags attached as 102. What has happened to the remaining 22 bags ?

Sri B. D. JATTI.—It is the imagination of the Hon'ble Member. Whatever is given in the list is correct.

Sri J. P. SARWESH.—Will the Government refrain from mentioning the castes of persons as it is done in this list ?

Sri B. D. JATTI.—In our area there are people by that surname. It is not caste.

(*Sri L. B. Birje in Marathi.*)

Sri V. S. PATIL.—Are the Government going to sell the attached articles according to the law by open auction or are they going to follow the same procedure which they followed at Belgaum ?

Sri B. D. JATTI.—The rules under the Land Revenue Code will be observed. Beat of drums, if necessary, will be there and every formality will be observed.

Sri V. S. PATIL.—If the Government had observed the rules nobody would have come here to ask the question. You have not observed them and that is why we are asking this question.

Sri B. D. JATTI.—Government will observe all the rules. If the M.E.S. wants to get popularity by putting this question, I am helpless.

Sri V. S. PATIL.—When the attachment was going on, in order to obstruct it, was there any satyagraha and, if so, how many people were arrested ?

Sri B. D. JATTI.—Satyagraha has been stopped long back. This is no-tax campaign and if anybody had obstructed the revenue officers in their work, he might have been arrested under the law.
